The Enforcement and Education Division is headquartered in Olympia and has 4 regional offices in Seattle, Spokane, Tacoma and Everett. There are 7 additional offices throughout the state. We are continuously in search of dedicated, qualified individuals to join our team. We work with approximately 13,000 liquor licensees and their employees by providing education and counseling on liquor licensing laws and regulations. Liquor Enforcement Officers inspect premises, investigate complaints, and conduct compliance checks. At times they may take administrative and criminal action against licensees, employees, and the public who violate state liquor laws.

The WSLCB was created in 1933 when the Legislature passed the Steele Act. We promote public safety by preventing the misuse of alcohol and tobacco through controlled retail and wholesale distribution, licensing, regulation, enforcement and education. Today, we employ about 1,350 full and part-time employees statewide. For more detailed please visit: www.liq.wa.gov.
